Parent Bulletin

Monday 13th September 2021

It has been so lovely to welcome our new children into nursery and reception and to welcome back everyone else. The children have returned rested, enthusiastic and ready to learn. We have spent the last three days in and out of the classrooms and have been very impressed by how quickly the children are settling back to our high expectations of learning and behaviour.

This year, as a whole school, we are embarking on a Trust wide oracy project led by Mrs Oke and Mr Smallwood. We will be teaching the children the skills of speaking confidently, listening to and conversing with others respectfully and how to express themselves to maximum effect. Look out for lots more information on this in the coming weeks.

Part of this is learning the social skill of saying 'Good morning' and 'Good afternoon'. Please encourage your child to say 'Good morning' to the adults on the school gate in the morning.

Reminder for Parents

We would to like to remind parents they should not enter the main school building at drop off and/or pick up times. If you have an appointment please arrive via the school office, this way we can monitor visitor numbers to keep infection rates down.

We would ask that all parents continue to allow their child(ren) to come into school from the gates independently unless they are very young or new to the school.

PE Tops

Due to supplier stock issues we are currently unable to provide PE tops in sizes 5-6 or 7-8. If you have placed an order for one of these sizes your child(ren) can wear a plain t-shirt (red if possible) on PE days until their new top is delivered. We apologise for any inconvenience caused and will deliver all orders as soon as possible.

Author Visits

If your child would like to purchase a book, to have signed by our visiting Authors as part of Appledore Book Festival, please order by **Tuesday 14th September**. We are pleased to be able to offer these books with a 25% discount through event sponsors Waterstones. Payments can be made via the "My Child at School" app (MCAS), go to Products then Books/Guides. If you have any problems accessing MCAS please contact the school office.
